Invisible 2400 DPI engine

Up to 12 months battery life

Wireless Optical Combo Set

9010M

This stylish wireless set looks great on any desktop with its stylish, streamline design. The keyboard boasts an impressive 3.9 mm ultra-slim design and anodized aluminum housing. The Fn multimedia keys offer quick access to all important multimedia functions. While the keyboard is very compact, it also has full-size keys, which makes typing much more comfortable. The mouse features an ergonomic design suitable for left- and right-handed use as well

as a 2400 DPI adjustable DPI sensor. 9010M is not only advanced in design but also in connectivity. The desktop set transmits via Rapoo's latest multi-mode wireless connection – using reliable 2.4 GHz wireless transmission, Bluetooth 4.0 or Bluetooth 5.0 – enabling you to connect simultaneously to multiple devices and switch (pair automatically) among them.

► Multi-mode wireless connection

Interference-free wireless options: The smart switch between Bluetooth 4.0, 5.0 and 2.4 GHz ensures stable wireless transmission with up to 10 meters range and 360° coverage. You can still use your keyboard regardless of USB port shortage or the loss of receiver.

► Instant switch among multiple connected devices in one click (Automatic pairing)

Connect to all your devices: 9010M automatically pairs the working device. It simultaneously connects to multiple devices, and easily switches among them in a click of a button. It simplifies activities across devices and meets multi-tasking requirements.

► Ultra-slim 3.9 mm design with aluminum alloy base

Slimline and rugged: The award-winning ultra-slim 3.9 mm design makes this keyboard a real eye-catcher while the anodized aluminum housing offers stability and durability.
